## FEBRUARY 2024 REPORT

I started on the 1st Feb, 2024 our patients arrived in the foundation at 8:00 am for their checking of blood pressure and fasting blood sugar and I rounded up at 3:00 am each day. on the 6<sup>th</sup> Feb 2024 Rev. Father Chinonso invited the Rev. Fathers from their parish and Rev. Fathers from the Okigwe Diocese including the Vicar General of the Catholic Diocese of Okigwe Msgr Dr. John Iwe who came for the blessing of our site Hoffnung Chinonso Foundation on that 6<sup>th</sup> Feb 2024. On this day Father Reginald admitted two people into our foundation. They are Mrs. Onuegbu Comfort and Mr. Onuegbu Raphael now the total number in the register is 25, twenty-five.

Our doctor came and examined every patient on this day and diagnosed them while I checked their blood pressure and blood sugar levels. After the doctor's examination. Ten, 10 patients were diagnosed with high blood sugar and 12, twelve people were diagnosed with high blood pressure, and three, 3 were Arthritis pains both high blood pressure, high blood sugar level, Arthritis pains were treated and they were encouraged to continue their drugs it will reduce.

Our patients with high blood pressure in the range of 184/91mmhg reduced to 120/82mmhg and patients with high blood sugar in the range of 293mg reduced to 180mg after taking their drugs.

In the month of February 2024, two hundred and twenty (220) were checked for blood pressure, and Eighty-five (85) were checked for blood sugar levels, and other patients with other sicknesses were diagnosed and treated.

The condition of our patients is good and fine
