JANUARY 2024 REPORT

With honour, love, and respect for the foundation, I express our appreciation to God Almighty who has made it happen to keep our services to humanity up till this period. Furthermore, I will not fail to express our patient's deep appreciation and gratefulness to the foundation in respect of Rev. Father Reginald for his caring and kindness toward the people of Umuezeopara Umunkwo Isiala Mbano and other neighbouring communities who are still enjoying the benefit-flowing from the Hoffnung Chinonso Foundation.

In respect of the month of January 2024, Twenty-five (25) patients in the list register were admitted out of this number women were Fifteen (15) while men were Ten (10), in the month of October 2023, we lost one of our patients Mr. Uzogo Oliver and in January 2024 we lost another patient Mrs. Obi Lucy who died with Cardiovascular and kidney Disease may her soul rest in perfect peace Amen. Now the total number in the register is Twenty-three (23) with the age bracket 50 to 70 yrs. Then on February 6, during the blessing of the foundation ground, our beloved father and chairman added two more people to the foundation. They are Mr Raphael Unegbu and Mrs Comfort Unegbu. Our Patient's blood pressure and blood sugar were checked daily. Starting at 8:00 am and rounded up at 3:00 pm, the doctor visited our patients on the 5th of January, 2024 that day was a general free medical treatment for all and sundry within and outside the community. Ten (10) patients from our foundation have blood sugar while eleven (11) have blood pressure and many were having pains. They all were treated according to the Doctor's prescription. Finally, my request to God Almighty is to expand your dream to success. Amen.
